The results of the review and this document report can only be valid unless no document under the scope of signed agreement submitted to SZUTEST has been changed, if the agreement terms and the agreement itself remains valid and until the date of validity stated above. For devices, the manufacturer must perform internal manufacturing and quality controls, when necessary, provide proper solutions for essential safety requirements and must provide a declaration of conformity. SZUTEST declares that the aforementioned manufacturer's third-party review of referenced technical file is performed upon voluntary request. It is the manufacturer's sole responsibility to conform to the above mentioned directive and this document cannot be used as a legal document to claim any type of conformity. This document cannot replace any of these requirements and cannot be used to claim conformance to the requirements of the manufacturer before placing the products on the market. This non-notified review is not a part of any type of notification for EU Regulations and is not related with the notification scope of SZUTEST. The current validity of the certificate shall be checked from SZUTEST's website.
